SIR,

Government Soap Factory - Stamped agreements to be obtained from Agents.

I have the honor to forward herewith for favour of your information extract from the report of the accounts of the Government Soap Factory for the half year ending 30th June 1932, the reply of the Industrial Chemist and my remarks thereon in the above matter.

As will be seen from the above extract, there is a difference of opinion between the Comptroller and the Industrial Chemist as regards the agreements to be obtained from the Soap Factory agents. The audit view is that agreements have to be obtained from all the Agents embodying the terms of the agency. The Industrial Chemist states that the agents are not in favour of executing stamped agreements, but want only the ordinary commercial procedure to be observed, of having the terms and conditions of the agreements written up on official letter heads.

I therefore request the instructionsof Government in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Director.

(2) Agreements embodying the terms of an agency do not come under the exemption ~~to~~ to article 4 of schedule I A of the Stamp Regulation—

(3) It is not legally necessary to have a duly stamped agreement executed in the case of all agencies. The agency contract may be proved otherwise than by a formal document. But it is nonetheless desirable and ~~expedient~~ expedient that in all such cases, the final agreement is duly written up and executed by the parties concerned, on a stamp paper according to law—

Extract from the Audit Report of the Government Soap Factory for the half year ending 30-6-1932.

Audit Objections.	Replies of the Industrial Chemist.	Director's Remarks.
Agency Agreements: (a) In reply to para 9 of audit report for the half year ended 30-6-31 pointing out that the agency of Messrs. Ramjanally Ebrahim & Co., was being continued without obtaining a stamped agree-ment, the Industrial Chemist has stated "Noted for prompt action" and the Director has called for a report if a stamped agreement has yet been obtain-ed. No stamped agreement has yet been obtained until the date of the report. The Industrial Che-mist said that in this particular case he does not consider a formal agreement is necessary on account of the standing of the firm and that it does busi-ness on cash ~~basis~~ basis. (b) The agency of Messrs. B.L.Narang & Co., is also being continued without a fresh stamped agreement as the period for which the agreement was obtained expired on 8th August 1931.	Many of the agents somehow do not like to execute stamped agreements and they jib at it. In all commercial transactions (excepting huge business deals) the ordinary procedure of -- having the conditions of agreement -- written up on official letter heads -- suffice and are unforceable in a Court of Law. I shall consult the Govern-ment Advocate and submit a note for Director's orders. Many of the Agents feel that it is a reflection on the in-tegrity of their ownselves or their firm to demand such agreements.	The Government Advocate may be consulted as regards the proper agreements to be taken from the agents and his views reported to the undersigned for necessary action. Enclo Manager DIRECTOR OF INDUSTRIES & COMMERCE IN MYSORE.
